

RaiseRight™

by ShopWithScrip

Gift card fundraising, also known as Scrip fundraising, is simply buying gift cards used for everyday purchases, instead of cash or credit cards. You can shop for gift cards in categories including groceries, gas, restaurants, and more. A percentage of each gift card purchased goes directly towards your son's team fees. Earn money on purchases you are already making just by paying with a gift card ordered through RaiseRight. This makes it a very easy way to fundraise if you simply plan ahead for your shopping.

***New families will need to register online at www.raiseright.com to create an account. You will also need to download the RaiseRight App. Previous Scrip families can log into RaiseRight using the same login information as your Scrip account.**

Follow these steps to register:

1. Go to www.raiseright.com
2. Click on "Sign Up" if you are a new user
3. Enter enrollment code FL7C46D627149 to link your orders to El Dorado Men's Lacrosse
4. Complete the Registration Page – enter your first and last name in the boxes provided, then enter your son's name in the box "Who are you fundraising for?"
5. Download the RaiseRight app to your phone

How to place an order:

1. Use the RaiseRight app to shop and purchase physical and e-gift cards. If you are ordering physical gift cards, only choose cards with the "Ship to home eligible" option. Please note, not all brands are available for Ship to home at this time. When viewing gift cards, be sure to confirm "Ship to home eligible" on that gift cards page. If ship to home is not an option, you will need to order that card through the coordinator on the one of the dates listed below.
 - Shipping charges for physical gift cards ordered through the RaiseRight app are as follows: \$0.50 postage per order + \$0.50 per card ordered (max of 16 physical cards). You will see your shipping total at checkout. Your order will ship directly to you
 - Payment can be made with a credit card (2.6 % online fee per order) or through your bank account (\$0.15 online fee per order)
 - We will have 3 set dates that you will be able to place an order through the RaiseRight app for physical cards through our coordinator. Orders will ship to our coordinator within 1 week and arrangements will be made for pick-up of your cards (shipping charges for these specific dates will be covered by the booster)
